

Quarter 1 Activities

- The DME and Supplies Workgroup met once a month during Q1. The Workgroup will continue to meet once a month in 2023.
- Delaware First Health joined the Workgroup in Q1.
- Workgroup discussions were focused on identifying priority issues and activities for the 2023 work plan.

Key Issues to Note

- In discussing 2023 priorities, parents identified immediate issues with changes in availability of supplies such as medication syringes and ENFit supplies. The Workgroup will explore the processes and roles for working with families when there are changes to DME and supplies.
- Parents requested a forum for working with the MCOs on member-specific issues.

Upcoming Activities

- Finalize 2023 work plan.
- Upcoming meetings:
 - April 25, 2023
 - May 23, 2023
