Summary of November DCHI Board meeting

Reviewed Overall Program Dashboard to use to measure progress against goals.

Updates on initial committee meetings.

Discussed staffing needs and board organizational issues.

The Program Dashboard is a key tool in DE SIM's monitoring and evaluation plan

Monitoring & evaluation plan

Delaware has set out a robust monitoring and evaluation strategy to test the overall success of its approach, including the effectiveness of its policy and regulatory strategy

Governance	Measures	Methodology
<p>DCHI will have primary responsibility, reporting at least annually on overall progress to the HCC, DHIN, legislature and the Governor</p> <p>Board</p> <p>Committees</p> <ul style="list-style-type: none"> ▪ Payment ▪ Clinical ▪ Patient/Consumer ▪ Workforce ▪ Healthy Neighborhoods <p>Technical Advisory Group</p>	<p>The dashboard features quantitative measures to provide an overall perspective on Delaware's progress against its goals</p> <p>Triple Aim measures</p> <ul style="list-style-type: none"> ▪ Health improvement ▪ Care improvement ▪ Cost Reduction <p>Accountability measures</p> <ul style="list-style-type: none"> ▪ Overall implementation ▪ Provider transformation ▪ Payer performance 	<p>DCHI will pursue a structured approach to monitoring and evaluation to ensure it has insight into progress and potential risks:</p> <p>Core analyses</p> <ul style="list-style-type: none"> ▪ Comparison of progress versus goals and accountability targets <p>Sources of data</p> <ul style="list-style-type: none"> ▪ Measures will primarily be collected from CDC, DPH, and payers <p>Translating research into practice</p> <ul style="list-style-type: none"> ▪ DE intends to use insights to spur research & translate it into practice

The Program Dashboard is foundational in monitoring and evaluation
