

# The Delaware Health Resources Board (HRB) Is Seeking New Members

## WHO WE ARE

The Delaware Health Resources Board was established under Delaware state law ([16 Del. C. § 9303](#)) to foster the cost-effective and efficient use of health-care resources and the availability of and access to high quality and appropriate health-care services. The council consists of a Chair, a Vice Chair, and 13 members, each appointed to a three-year term by the Governor. A current list of the Board membership is available online: <http://dhss.delaware.gov/dhcc/hrb/dhrbmembers.html>.

## WHAT WE NEED

The Board needs new members. There are currently **five vacant positions** on the Board and we are looking for individuals who would like to join.

## WHO QUALIFIES TO BE A BOARD MEMBER

Delaware law specifies that the Board be made up of select individuals that are representative of all counties in the State. Currently, we need candidates to fill the vacancies designated for: a representative of labor; a representative of the health insurance industry; a representative involved in purchasing health-care coverage for employers with more than 200 employees; and a representative of the public-at-large. A Chair (public-at-large) and Vice Chair (designated from among the members) are also needed.

## MEETING SCHEDULE

The HRB generally meets bimonthly, about six times per year. HRB meetings are regularly posted on the Public Meeting Calendar: <https://publicmeetings.delaware.gov/>

## HOW APPOINTMENTS ARE MADE

If you are interested in becoming a member of the HRB or if you know someone who would like to join, please let us know. We will meet with prospective members, help them learn more about the HRB, then assist them with completing and submitting a [required application form to the Governor's office](#). All appointments are made by the Governor.
