The following DDDS policies are rescinded as of December 27, 2017, due to one or more of the three reasons described below. For each DDDS policy included in the Policy Rescission Notice (PRN), rescission rationale is provided.

1. The policy is duplicative of other existing policies or procedures;
- OR -
2. The policy is replaced by another existing policy or procedure;
- OR -
3. The policy is obsolete.

| ADMINISTRATIVE POLICIES | |
|-------------------------|---|
| Former DDDS Policy | Rationale for Rescission |
| Voter Rights | <ul style="list-style-type: none"> • Policy is duplicative of the Individual Rights policy that outlines the individuals' right to vote. |

| HEALTH AND SAFTEY POLICIES | |
|---|---|
| Former DDDS Policy | Rationale for Rescission |
| Assistance with Self-Administration of Medications | <ul style="list-style-type: none"> • The Assistance with Self Administration of Medication (AWSAM) has now been changed to Limited Lay Administration of Medication (LLAM). • All of the information contained in this medication policy is duplicated in the actual medication class curriculum. • Per 24 DelC.19 §1932 all day habilitation and residential provider staff who assist with medications are required to take the LLAM class and adhere to its guidelines. • The LLAM Manual will be available for reference online at: http://dhss.delaware.gov/dhss/ddds/ddds_policy_main.html |
