

Common Scorecard

Plan for Common Scorecard Public Release

- **Focus on Common Scorecard measures that overlap with HEDIS**
 - Standardized
 - Endorsed by experts (NQF)
 - Collected industrywide by health plans
- **NCQA to provide DE statewide analysis for version 1.0**
 - DE plans collect data on almost entire population enrolled in commercial plans
 - NCQA to advise us on public display for maximum engagement
 - Target release data for early April at Choose Health DE
- **Sustainability plan**
 - Work with DHIN
 - Explore more voluntary purchaser participation
 - Subscribe to NCQA database
