## *Serving Eastern Sussex County*

### Who we are...

The Greater Lewes Community Village is a volunteer, non-profit organization dedicated to helping older adults live independently at home for as long as possible. The Village provides volunteer support, services and programs that enhance the lives of our members by helping them remain engaged in a variety of social, educational and cultural activities.

A member of the VILLAGE TO VILLAGE Network of over 200 VILLAGES nationwide.

### What we do...

Provide services and programs to VILLAGE members in eastern Sussex County.

Send volunteers in response to calls from VILLAGE members for transportation (doctor, dentist, hairdresser, grocery store), and help with household tasks, errands, cellphones, computers, TV remotes, and programming thermostats. VILLAGE members often enjoy friendly home visits and telephone chats with our volunteers.

Provide a list of vendors, vetted by THE VILLAGE, as requested.

Offer a wide variety of social and educational activities.

### Why join us...

To live as independently as possible as you age at home.

To be a part of a community of neighborly support.

To promote Sussex County as an Elder Friendly Community.
