

Practice Transformation: Learning Collaborative

Tuesday, January 24, 2017

7:30 AM – 1:30 PM

The Outlook at the Duncan Center

500 West Loockerman St., Dover, DE 19904

Continuing Medical Education (CME) for Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Medical Society of Delaware and the Delaware Health Care Commission. The Medical Society of Delaware is accredited by the ACCME to provide CME activities for physicians.

The Medical Society of Delaware designates this live continuing medical education activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy of the Medical Society of Delaware to comply with the ACCME Standards for Commercial Support of Continuing Medical Education. In keeping with these standards, all faculty participating in continuing medical education activities provided by the Medical Society of Delaware are expected to disclose to the activity audience any real or apparent conflicts of interest related to the content of their presentation.

Joint providership of CME by the Medical Society of Delaware in no way implies endorsement or recommendation of any product or service.

The Future of Primary Care in Delaware: An update on payment model changes, state innovation, and resources to help your practice be successful in a changing healthcare landscape

Program Description

This learning collaborative is designed to educate health care providers on the state's efforts to increase quality, and reduce costs of health care. Learning objectives will focus on value-based care, understanding the Medicare Access and CHIP Reauthorization Act (MACRA) and building capabilities to deliver better care through practice transformation. Other components of the learning collaborative include a better utilization of team based care and a networking session on key initiatives from the Delaware Center for Health Innovation (DCHI), on Behavioral Health Integration and Workforce Curriculum.

Target Audience

- Primary Care Providers
- Practice Managers
- Specialist Providers (e.g. behavioral and mental health)
- State of Delaware Leadership
- DCHI Leadership and Committee Members
- Public/Private stakeholders interested in learning about the State's SIM initiatives

Practice Leadership and Providers, Nurse Care Managers, Medical Assistants, and Office staff members are all invited to come learn together as a team!
