

## **IMP 008**

### **Professional Regulation**

The Division of Professional Regulation (DPR) is within the Department of State.

The mission of DPR is to ensure the protection of the public's health, safety and welfare, by providing administrative and investigative services that serve the citizens of Delaware, professional licensees, license applicants, other state and national agencies, and private organizations. DPR regulates 53 professions, trades, and events, including many in health care.

The [DPR website](#) provides information regarding an individual's license status—whether it is active, expired, suspended, revoked, etc.

Concerns regarding the information reported by DPR to the BCC may be reviewed by going to the DPR website. If a concern still exists, you can [contact DPR](#) for more information.
