

## **Introducing The Diamond State Health Plan Plus Program**

The Division of Medicaid & Medical Assistance (DMMA) is making some exciting changes to our Medicaid program.

Under Diamond State Health Plan Plus, you will receive your current Medicaid-covered services through a Managed Care Organization. This change, scheduled for April 1, 2012, will give you more choice and a greater voice in your care.

You will have a choice between two Managed Care Organizations, Delaware Physicians Care, Inc. (DPCI) and UnitedHealthcare Community Plan.

Right now you do not need to do anything. This letter is for your information only. We will send more information to you about your choice of Managed Care Organizations and the Diamond State Health Plan Plus program.

If you have questions, please call the Health Benefits Manager (HBM) at #1-800-996-9969.
