

**DELAWARE HEALTH AND SOCIAL SERVICES**

**Division of Medicaid & Medical Assistance**

Hello,

We are excited to announce Webinar opportunities for those interested in learning about the new Diamond State Health Plan Plus (DSHP-Plus) program administered by the Division of Medicaid & Medical Assistance. This new program will integrate Nursing Facility Services and Home and Community Based Services for the elderly and adults with disabilities into the existing managed care delivery system.

Listed below are the Webinar dates and times. There is not a registration process, simply follow these instructions:

1. Visit [www.ReadyShow.com](http://www.ReadyShow.com)
2. Select "Start A Conference" for LotusLive™ Meetings (formerly ReadyShow®).
3. Under "Join A Conference" enter Participant Passcode 54500629, and name. Company name and email are optional, however highly recommended.
4. Click "Start"
5. Then, call 1-877-366-0711 and enter access code 54500629#. This will connect you to the audio portion of the presentation. (You do not have to introduce yourself if you already logged onto the Webinar.)

***Please note web passcodes are the same as the audio **WITHOUT** the # sign.***
