

Recognition Process

Upon submission, all applications shall be reviewed by a subcommittee of the Governor's Council on Health Promotion & Disease Prevention. The subcommittee will score all applications, based on the answers from applications and each municipality shall be ranked based on their total score.

- **Gold:** A model community with tremendous support and opportunities across all key environments aimed at improving the overall health of its respective community members. Great potential to share lessons and knowledge with other communities.
- **Silver:** Outstanding achievements in support and opportunities across all key environments aimed at improving the overall health of its respective community members; potential still exists to bring about more supports.
- **Bronze:** Significant progress aimed at improving the overall health of its respective community members; gaps in some areas suggest potential for future achievements.
- **Honorable Mention:** Demonstrated efforts aimed at improving the overall health of its respective community members; greater gaps suggest ample potential to strengthen local supports.
