## Legend

- Federally Qualified Health Center
- Municipal Boundaries
- HPSAs

## Notes:

Health Professional Shortage Areas (HPSAs) are designed by HRSA as having shortages or primary medical care, dental or mental health providers and may be geographic (a county or service area), demographic (low income population) or institutional (comprehensive health center, federally qualified health center or other public facility).

Census Tracts (CTs) are based on 2010 Census Geography.
