RE: PSC # 797, Health Systems Protection Permitting Database

Dear Company name:

We are writing to inform you that the State of Delaware, Division of Public Health has decided not to award a contract for RFP PSCO-797, for a Health Systems Protection Permitting Database. An evaluation process was completed, but the projected funding has not been made available to allow the project to go forward.

We may seek Request for Proposals for these services in the future. Please check the Delaware Department of Health and Social Services website (www.dhss.delaware.gov/dhss/rfp/dhssrfp.htm) for new Request for Proposals.

We do appreciate your interest in the State of Delaware and this project. We thank you for your patience and hope that your organization will continue to bid on future projects.

Sincerely,

Frieda Fisher-Tyler, MHS, CIH
Administrator
Office of Radiation Control
