PSC-#841 Local Child Care Market Rate Study of Delaware's Child Care
Providers Questions and Answers

Q1. Do you require that the interviews be conducted in any language other than English? (Workplace Solutions)

A1. No (Eulinda DiPietro)

Q2. Do you need delivery of the 75th percentile prices at the same time as the Executive Summary (4/30), or do you need the 75th percentile prices prior to the date? (Workplace Solutions)

A2. Yes the 75th percentile prices and Executive Summary are both due on 4/30/2009. (Eulinda DiPietro)

Q3. May the Work Plan be included in the Appendix as it was in 2007? (Workplace Solutions)

A3. Yes (Eulinda DiPietro)

Q4. Do you require a signed boilerplate contract as part of the proposal or can that be submitted at a later date (as it was for the 2007 Market Rate Survey)? If you do want the signed contract as part of the proposal, should it be included in all 12 copies or just in the two original copies?

A4. The signed boilerplate is not part of the proposal. A signed boilerplate is expected once a vendor selected and contract negotiations are completed. The boilerplate is included in the RFP in order for potential vendors to be aware of the Department's expectations in advance and that the boilerplate will not be altered, however additional provisions can be included as an Appendix. (Eulinda DiPietro)

Q5. Do you expect that most of those attending the information sessions will be child care providers? (Workplace Solutions)

A5. Yes (Eulinda DiPietro)
