WIC Program

Revision: eWIC: October 1, 2016

INTRODUCTION

Enclosed you will find the January 1, 2016 - December 31, 2018 bid application package for the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC). In an effort to save food dollars, administrative resources, and increase the efficiency of the program, the WIC Program bids out all available retail vendor slots. We ask you make your most competitive bid offer for the selected WIC foods on the Vendor Price Bid Sheet – Page 5.

BACKGROUND

WIC is a federally funded program administered at the federal level by the Food and Nutrition Service (FNS), United States Department of Agriculture. The State of Delaware, Division of Public Health, is responsible for the administration of the Delaware WIC Program (hereafter referred to as the WIC State agency). The WIC State agency office is responsible for all the operations of the program in accordance with federal and state rules, regulations and guidelines.

The primary purpose of the WIC Program is to make health and nutrition services available to eligible individuals. Under the WIC Program, authorized health professionals prescribe nutritious supplemental foods and teach nutrition education to pregnant, postpartum, and breastfeeding women, infants, and children to their fifth birthday.

WIC participants receive eWIC benefits (eWIC card) to enable them to purchase WIC approved foods at local retail grocery stores. The eWIC card has a prescription for specific foods selected for the nutritional need of the individual with amounts loaded to the eWIC card. WIC participants will receive an eWIC card that includes a list of specific foods that can be purchased, and a Cash Value Benefit (CVB) that has a fixed-dollar amount for the purchase of fresh fruits and vegetables. Authorized vendors are always required to allow the participant to purchase what is loaded to their eWIC card.

What is new?

- Eligible stores must have a minimum of 10,000 square feet of space and minimum of three (3) cash registers.
- Participant-to-vendor ratio is 250:1 (previous ratio was 300:1).
- Cash Value Benefit (CVB) – split tender is allowed.
- White potatoes are an authorized vegetable.
- Gerber Infant Fruit and Gerber Infant Vegetable in the 4.0 ounce, 2 pack.

Authorization Process

Authorization Criteria:

- 1) **All interested vendors MUST attend the pre-bid application meeting and receive a bid application package.** The State agency will not mail bid applications to interested vendors. Only vendors attending the pre-bid application meeting may submit a sealed bid to the State agency for review.
- 2) **All bid application submissions must be proper and timely.** The State agency will reject any bid application received after the deadline. Any bid application submitted using a means of delivery other than the approved methods of delivery, as stated in the bid application package, will be rejected upon receipt. All bid applications, no matter how transmitted, must be sealed in an envelope and the envelope must be no smaller than 8½” x 11” in dimension. All envelopes should be marked with **SEALED BID**.
- 3) **All bid application submissions must be filled out in entirety.** Any bid application received that is incomplete (does not have all the necessary information, missing necessary signatures, etc.) will be rejected. The State agency is not responsible for following up with vendors to complete missing information on bid applications.
- 4) **All applicant vendors are reviewed in accordance with the Vendor Eligibility Criteria.** All applicants must meet the conditions of the eligibility criteria before an agreement will be signed (see next page for criteria). The State agency will perform onsite monitoring visit at initial authorization. During this visit, the State agency will verify information submitted on application, review for compliance with eligibility criteria, and collect shelf prices. Any vendor not meeting the eligibility criteria or submitting a bid that exceeds the vendor shelf price will be rejected. The State agency may not authorize an applicant vendor if the State agency determines its previous owner has sold the store in an attempt to circumvent a WIC sanction. The State agency may consider such factors as whether the store was sold to a relative by blood or marriage of the previous owner(s) or sold to any individual or organization for less than its fair market value. Vendors authorized under 2013-2015 agreement will not be required an on-site monitoring visit, but will need to satisfy all eligibility criteria for their bid application to be considered.
- 5) **A comparative analysis of all applicant vendor bid sheets is performed.** Bids, combined with shelf prices are reviewed and ranked in accordance with their competitive nature for each geographic area.
- 6) **Potential vendors are selected and notified.** All potential vendors are selected and notified that participation agreements will not be signed until after the vendor satisfies all training criteria, as scheduled by the State agency. If the potential vendor does not meet the training criteria, the potential vendor will be considered in violation of the eligibility criteria and the bid application will be rejected.
- 7) **Vendors not selected shall be notified and receive instruction on the Administrative Appeal process.** Applicant vendors who are eligible, but did not rank high enough to gain a slot, will be placed on the primary waiting list and notified of their right to appeal the State agency’s decision. Failure to be selected for authorization solely due to a noncompetitive bid is not grounds for administrative appeal. Applicant vendors failing to meet any of the criteria will be rejected and denied placement on the primary waiting list. During the 2016-2018 agreement period, these vendors may request to be placed on the secondary waiting list.

Eligibility Criteria

- WIC only stores and mobile stores are specifically ineligible.
- Must obtain infant formula only from sources identified on the Delaware WIC authorized formula manufacturers, wholesalers, distributors or retailers list

How does this apply to applicant vendors?

APPLICANT VENDORS must meet these criteria to be eligible to be an authorized WIC vendor. Meeting the eligibility criteria does not guarantee authorization. The State agency will reject bid applications from any applicant vendor that does not meet the eligibility criteria.

What does the term "servicing a disqualification period" mean?

This term refers to either:

- The period of time a vendor has been disqualified; or
- The period of time a vendor would have been disqualified but has remained active by paying a civil money penalty in lieu of the disqualification.

Limitation Criteria

How does the State agency determine the number of vendors it authorizes?

The State agency uses a participant-to-vendor ratio (250:1) to determine the number of vendors authorized in each geographic area.

How is the ratio applied?

This ratio is applied to geographic areas within the State to distribute the authorized vendors in accordance with the participant population densities. The State agency will round up for .5 or greater and round down for .49 or less.

<i>If geographic area has...</i>	<i>...then...</i>	<i>...means the number of vendors authorized is...</i>
750 participants	750 divided by 250 = 3.0	3
850 participants	850 divided by 250 = 3.4	3
950 participants	950 divided by 250 = 3.8	4

What does the term *geographic area* mean?

For purposes of authorization, geographic area is defined as the area in which participants reside. Geographic area boundaries are determined through Zip code analysis.

Are there any exceptions to the limitation of vendors?

Yes, the State agency may authorize extra vendors in an area if one of the following exceptions exists:

- geographic area has less than 500 participants, or
- participant access

Means of Delivering Bid Applications

Any bid application due to the Delaware WIC Program, shall be delivered or transmitted as described in this attachment. The failure of any bidder to follow these instructions will result in the rejection of that bid.

All bid applications, transmitted by mail or hand delivery, must be submitted to:

Delaware WIC Program
Blue Hen Corporate Center
655 Bay Road, Suite 1-C
Dover, DE 19901
ATTN: Vendor Management Section

There are three acceptable means of delivering/transmitting a bid application:

1. The United States Postal Service
2. Hand delivery by the bidder applicant
3. Hand delivery by a commercial delivery/courier company

U. S. Postal Service Deliveries:

If a vendor chooses to use the U.S. Postal Service, the State agency recommends using Express Mail, Priority Mail, or Certified Mail.

These are forms of U.S. Postal Delivery for which both the date and time of receipt can be verified by the State agency.

Hand Deliveries by Applicants Bidders and Deliveries by Commercial Courier Services:

For any type of hand delivery, the vendor or its commercial courier service should request a signed receipt from a WIC Program staff member, which notes the title of the bid, the name of the vendor, and the time and date of receipt at the State agency office.

Other Information

- All envelopes containing bid applications, no matter how transmitted, must be at least 8½" x 11" in dimension.
- Write **SEALED BID** on all envelopes containing bid applications.
- Faxing information is not an acceptable means of delivery. Live signatures are required on the bid application.

Delaware WIC Program Practices

The Delaware WIC Program:

- Requires authorized vendors to comply with the Vendor Participation Agreement, at all times (see draft agreement included);
- Requires applicant and authorized vendors to comply with vendor eligibility criteria;
- Requires vendors to maintain a minimum stock of specified food items, **at all times**;
- Requires authorized vendors to charge shelf prices at the time of the WIC transaction;
- Will pay the bid/statewide average (see payment methodology page) or actual shelf price depending on food item charged at the time of the WIC transaction;
- WIC will pay each vendor the redeemed amount of the cash value benefit, **not to exceed the value of the cash value benefit**;
- Allows WIC participants to utilize their eWIC benefits at any authorized vendor location;
- Does not automatically renew Vendor Participation Agreements, all authorized vendors are selected through a competitive bidding process;
- Vendor Participation Agreements are effective for three years beginning January 1, 2016 and ending December 31, 2018 for vendors who were WIC authorized on December 31, 2015;
- Probationary agreements are effective for a maximum of six (6) months for first time WIC authorized vendors;
- Must monitor and train authorized vendors annually;
- Does not guarantee authorization for all eligible vendors that submit a bid application.

5. Upon expiration of this Agreement, neither the WIC Program nor the Vendor has an obligation to renew the Agreement. The WIC Program will provide Vendors with not less than 15 days advance written notice of the expiration of this Agreement. Expiration of the Agreement is not subject to appeal.
6. Vendors must notify the WIC Program in writing if any change in ownership, store name, store location or cessation of operations at least 15 days prior to the effective date of change. This Agreement is null and void if ownership or store location changes or cessation of operations.
7. In addition to disqualification or termination for violation of the Agreement, the WIC Program may terminate this Agreement under any of the following conditions:
 - a. If WIC Program funding is not obtained or continued at levels sufficient to allow for purchase of the indicated quantity of services. When possible and when agreed upon, this Agreement may be modified to accommodate a reduction of funds;
 - b. If statutes, regulations, rules, or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under the Agreement;
 - c. If any license or certificate required by law or regulation to be held by the Vendor to provide the services required by this Agreement is for any reason denied, revoked or not renewed;
 - d. If the WIC Program determines that the Vendor has provided false information in connection with its application for authorization;
 - e. If a Vendor does not meet current selection criteria during the Agreement period.
8. Any reference in this Agreement to “days” means calendar days unless further defined.
9. It is agreed by both parties that the Vendor is not an employee; the Vendor is an independent contractor. This agreement does not constitute a license or a property interest.
10. This agreement will be terminated if the WIC Program identifies a conflict of interest between the Vendor and the WIC Program.
11. The Vendor's failure to abide by any of the provisions of this agreement shall be cause for termination of the agreement.
12. The WIC Program shall provide the Vendor with an administrative review in accordance with the provisions in the Vendor Handbook per Violations/Sanctions and Administrative Reviews/Vendor Appeals.

VIOLATIONS/SANCTIONS AND ADMINISTRATIVE REVIEWS/APPEALS:

1. Violations, Sanctions and Penalties:
 - a. The WIC Program may sanction, disqualify, or impose a civil money penalty in lieu of disqualification for reasons of program abuse. Potential sanctions are described in the Violation and Sanctions Chart, attached to, and incorporated by reference to this agreement. The WIC Program may consider patterns or practice of violations in assessing sanctions against the Vendor. A pattern is considered two or more violations. The WIC Program shall send a written warning to the Vendor unless the WIC Program determines, on a case-by-case basis, that notifying the Vendor would compromise the compliance investigation.
 - b. When the WIC Program determines the Vendor has committed a violation that affects the payment to the Vendor, the WIC Program will establish a claim. The WIC Program may establish a claim in the amount of the full purchase price of the transaction. The WIC Program will provide the Vendor with an opportunity to justify or correct a Vendor overcharge or other error. The Vendor must pay any claim assessed by the WIC Program. In collecting a claim, the WIC Program may offset the claim against current and subsequent amounts to be paid to the Vendor. In addition to denying payment or assessing a claim, the WIC Program may sanction the Vendor in accordance with the Violation Chart.
 - c. A Vendor who commits fraud or abuse of the WIC Program is subject to prosecution under applicable Federal, State or local laws. Pursuant to Sec. 246.23 of Title 7 of the Code of Federal Regulations, those who have willfully misapplied, stolen or fraudulently obtained program funds shall be subject to a fine of not more than \$25,000 or imprisonment for not more than five years or both, if the value of the funds is \$100 or more. If the value is less than \$100, the penalties are a fine of not more than \$1,000 or imprisonment for not more than one year or both.

- d. Disqualification from the WIC Program may result in disqualification as a retailer in the Supplemental Nutrition Assistance Program (hereafter referred to as SNAP). Such disqualification is not subject to administrative or judicial review under SNAP.
 - e. The WIC Program shall disqualify a Vendor from the WIC Program if the Vendor is or becomes disqualified from the SNAP. If the WIC Program determines that disqualification of the Vendor would result in inadequate participant access, the WIC Program shall impose a civil money penalty, in lieu of disqualification. Length of disqualification from WIC will be the same as SNAP disqualification.
2. Administrative Reviews and Vendor Appeals:
- a. The WIC Program will provide applicable administrative review procedures along with any adverse action subject to administrative review. The WIC Program's administrative review procedures are also available upon written request.
 - b. The WIC Program must provide full administrative reviews to Vendors that appeal the following adverse actions:
 - i. determination that the Vendor is attempting to circumvent a sanction;
 - ii. termination of an agreement for cause;
 - iii. disqualification; and
 - iv. impose of a fine or a civil money penalty in lieu of disqualification.
 - c. The WIC Program must provide abbreviated administrative reviews to Vendors that appeal the following adverse actions:
 - i. denial of authorization based on the Vendor selection criteria for business integrity or for a current SNAP disqualification or civil money penalty for hardship;
 - ii. denial of authorization based on the application of the Vendor selection criteria for competitive price;
 - iii. denial of authorization based on a WIC Program-established Vendor selection criterion if the basis of the denial is a WIC Vendor sanction or a SNAP withdrawal of authorization or disqualification;
 - iv. denial of authorization based on the WIC Program's Vendor limiting criteria;
 - v. denial of authorization because a Vendor submitted its application outside the timeframes during which applications are being accepted and processed;
 - vi. termination of an agreement because of a change in ownership or location or cessation of operations;
 - vii. disqualification based on a trafficking conviction; and
 - viii. disqualification based on the imposition of a SNAP civil money penalty for hardship;
 - ix. denial of an application based on a determination of whether an applicant Vendor is currently authorized by SNAP;
 - x. a civil money penalty imposed in lieu of disqualification based on a SNAP disqualification under §246.12(1)(1)(vii); and
 - xi. disqualification or a civil money penalty imposed in lieu of disqualification based on a mandatory sanction imposed by another WIC Program (§246.12(1)(2)(iii)).
 - d. Actions not subject to appeal by a Vendor:
 - i. the validity or appropriateness of the WIC Program's Vendor limiting or selection criteria for minimum variety and quantity of supplemental foods, business integrity, and current SNAP disqualification or civil money penalty for hardship;
 - ii. the validity or appropriateness of the WIC Program's selection criteria for competitive price (§246.12(g)(4)), including, but not limited to, Vendor peer group criteria and the criteria used to identify Vendors that are above-50-percent Vendors or comparable to above-50-percent Vendors;
 - iii. the validity or appropriateness of the WIC Program's participant access criteria and the WIC Program's participant access determinations;
 - iv. the WIC Program's determination to include or exclude an infant formula manufacturer, wholesaler, distributor, or retailer from the list required;

- v. the WIC Program's determination whether to notify a Vendor in writing when an investigation reveals an initial violation for which a pattern of violations must be established in order to impose a sanction;
- vi. the validity or appropriateness of the WIC Program's prohibition of incentive items and the WIC Program's denial of an above-50-percent Vendor's request to provide an incentive item to customers;
- vii. the WIC Program's determination whether a Vendor had an effective policy and program in effect to prevent trafficking and that the ownership of the Vendor was not aware of, did not approve of, and was not involved in the conduct of the violation;
- viii. denial of authorization if the WIC Program's Vendor authorization is subject to the procurement procedures applicable to the WIC Program;
- ix. the expiration of a Vendor's agreement;
- x. disputes regarding Vendor claims (other than the opportunity to justify or correct a Vendor overcharge) or other error;
- xi. disqualification of a Vendor as a result of disqualification from SNAP;
- xii. the validity or appropriateness of the WIC Program's criteria for determining whether a Vendor applicant is expected to meet the more than 50 percent criterion.

WIC PROGRAM RESPONSIBILITIES:

1. The WIC Program will provide prompt payment to the Vendor through normal banking channels for all valid eWIC transactions.
2. As part of the redemption procedure, the WIC Program will make price adjustments to bid prices per the payment methodology in the Vendor Bid Application and will pay shelf price for all non-bid items. The WIC Program may deny payment to the Vendor for improper eWIC transactions, may offset future payments to the Vendor, or require and receive reimbursement from the Vendor for the amounts paid by the WIC Program to the Vendor on improper eWIC transactions and for unsubstantiated quantities of WIC food items. In addition to denying payment, the WIC Program may sanction the Vendor for overcharging.
3. When the WIC Program determines the Vendor has committed a violation affecting payment to the Vendor, the WIC Program will delay payment or establish a claim. The WIC Program may delay payment or establish a claim in the amount of the full purchase of each eWIC transaction containing the Vendor overcharge or other error. The Vendor shall have an opportunity to provide justification or correction when the WIC Program denies reimbursement for an eWIC transaction or requests payment for an improper eWIC transaction.
4. The WIC Program shall research and provide a response within 10 business days of the receipt of the notification of a payment dispute from a Vendor.
5. All payment disputes shall be resolved within 45 business days of the first notification by either party. Resolution of a dispute completed within the dispute timeframe is final. The initiating party shall be deemed entitled to the claim and the disputed item will be settled in their favor.
6. The WIC Program will provide the Vendor with training annually and as needed.
7. The WIC Program will notify Vendors of changes to Federal or State statutes, rules, regulations and policies governing the WIC Program before the changes are implemented. The WIC Program will provide the Vendor as much notice as possible.
8. When the WIC Program finds a Vendor has committed a violation requiring a pattern (2 or more) of occurrences in order to impose a penalty, the WIC Program shall send a written warning to the Vendor, unless the WIC Program determines, on a case-by-case basis, that notifying the Vendor would compromise the compliance investigation.
9. Monitor all Vendors for compliance within this Vendor Agreement and as outlined in the Vendor Handbook.

VENDOR RESPONSIBILITIES:

1. The Vendor may only provide authorized supplemental food benefits prescribed and available on the electronic WIC (eWIC) card during a WIC transaction. The Vendor may not provide unauthorized food items, non-food items, cash, or credit (including rainchecks) in exchange for eWIC benefits. The Vendor may not provide refunds or permit exchanges for authorized supplemental foods obtained with eWIC benefits, except for exchanges of an identical authorized supplemental food item when the original authorized supplemental food item is defective, spoiled, or has exceeded its “sell by,” “best if used by,” or other date limiting the sale or use of the food item. An identical authorized supplemental food item means the exact brand and size as the original authorized supplemental food item obtained and returned by the participant, parent, or caretaker of infant and child participant or proxy (hereafter referred to as participant).
2. The Vendor shall not issue cash change to an authorized participant for eWIC transactions less than the total face value of a Cash Value Benefit (CVB). The authorized participant may use an alternative form of payment to purchase fruits and vegetables in excess of their face value for a CVB.
3. The Vendor must scan all food items individually. Cashiers may use the quantity key to scan identical Universal Product Code’s (UPC’s). They must give the participant a receipt for each eWIC purchase. Cashiers cannot retain the participant’s eWIC card or ask for their eWIC Personal Identification Number (PIN). The Cashiers cannot ask for other forms of identification in addition to the eWIC card and they must allow the participant to check their eWIC card balance of foods without making a purchase.
4. The Vendor agrees to:

 - h. Comply with the nondiscrimination provisions of Departmental Regulations 7 CFR, Parts 15, 15a, 15b, and the Civil Rights Act of 1964. The Vendor shall provide food items to eligible participants without regard to race, color, national origin, gender, age, or disability.
 - i. Post “We Accept eWIC” signs provided by the WIC Program in a prominent place of business in order that any member of the public may be aware of the Vendor’s status.
 - j. Display shelf prices and use WIC Authorized shelf labels or labels approved by the WIC Program.
 - k. To be monitored by WIC Program authorized representative or federal government official for compliance of program rules and regulations.
 - l. These records shall be made available to the Authority upon request.
 - m. Not to use the WIC/eWIC acronym or close facsimiles, in the name of the Vendor, in advertising or other promotional materials.
 - n. Prohibit incentive items which may be consumed or taken without charge in a way to attract WIC customers only.
 - o. Vendor may not apply stickers, tags, or labels with the service mark on WIC approved products.
