State of Delaware	5.04	4.98	5.11
--------------------------	------	------	------

Note:

- Incidence rate is significantly **higher** than the state rate.
- Incidence rate is significantly **lower** than the state rate.
- * Incidence rate is based on fewer than 25 cases.

All rates in this table are per 1,000 population, and are age-adjusted to the 2000 U.S. standard population.
