

<p align="center">GOAL 5: DATA, RESEARCH, AND EVALUATION Improve data availability, and coordination, utilization, and diffusion of research and evaluation outcomes</p>		
<p align="center">STRATEGY 20: KNOWLEDGE TRANSFER Expand and enhance transfer of knowledge generated by research and evaluation for decision-making about policies, programs, and grant-making related to health disparities and health equity</p>		
OBJECTIVES ^a	MEASURES ^a	POTENTIAL DATA SOURCES ^a
<ol style="list-style-type: none"> 1. Facilitate the efficient translation and dissemination of culturally and linguistically appropriate interventions, as required by Title VI, that have been shown to improve health 2. Provide training and technical assistance to community stakeholders on the use, interpretation, and transmission of data 3. Provide training and technical assistance to providers, researchers, and evaluators to comply with Title VI requirements and to appropriately engage communities 4. Provide training and technical assistance to professional associations, foundations, advocacy groups, and community organizations on how to interpret and use research and evaluation findings to inform their decisions and programs 5. Promote, as a standard of practice among researchers and evaluators and their sponsors, strategies to make findings accessible, easily understood, and used by policymakers and the public to inform programming and services 	<ol style="list-style-type: none"> 1. Distribution and application of standard training and technical assistance materials on data-driven decision-making 2. Degree to which promising community practices are adopted by state, tribal, and local agencies and nonprofit organizations 3. Application of knowledge about use of data, research and evaluation findings, and community engagement in the design or improvement of programs to eliminate health disparities 4. Degree to which research and evaluation findings are used in decision-making about policies, procedures, and practices to eliminate health disparities by policy-makers, funders, advocates, and community leaders 	<ol style="list-style-type: none"> 1. Office of Minority Health Resource Center’s Capacity Building Division 2. Agency for Healthcare Research and Quality’s Knowledge Transfer/Implementation Program 3. Grant submissions in response to requests for proposals distributed by federal and state agencies to eliminate health disparities

^a The objectives, measures, and potential data sources do not directly correlate to each other, but to the strategy to which they are connected.
