Frequently asked questions

Once funds are added to the card account, it can be used to make purchases, pay bills, and make online, phone or mail-order purchases. Using the card¹

How do I get cash at a bank or credit union teller?

You must know your available balance (the teller will not have access to this information) and ask for a cash withdrawal in the amount you wish to withdraw. **Note:** you may need to provide your driver's license to verify your identity.

Do I have to go to a U.S. Bank ATM or U.S. Bank branch to get cash?

No. You can get cash back with purchases at participating merchants throughout the United States such as grocery and convenience stores. Cash can also be obtained from any ATM or over the counter at any Mastercard bank or credit union. To find the ATM nearest you, visit usbank.com/locations, moneypass.com or allpointnetwork.com.

Do I need a PIN to use the card?

Yes & No. The card can be used to make signature-based purchases without a PIN. However, a PIN must be used for PIN-based purchases and for cash withdrawals at ATMs. You must choose your own PIN by visiting usbankreliacard.com after you receive your card. For security reasons it is important that you pick a PIN that only you would know, and not share the PIN or the card with anyone.

Can I still get cash if I forget my PIN?

Yes. You can go to any Mastercard bank or credit union and ask the teller for a cash withdrawal.

What are some things I need to keep in mind when using my card to make purchases?

Some merchants where you typically tip may authorize your transaction for an amount greater than your purchase to cover tips. Make sure your balance can cover the 20% or your transaction will be declined. When purchasing gasoline at a gas station, pay inside with the cashier to avoid a hold greater than the amount of your purchase (some ReliaCard programs may not allow you to pay with your card using the pay-at-the-pump option). The funds held will not be available for other purchases until the actual transaction amount clears. Payments made inside clear for the actual transaction amount immediately. Check your program materials for additional details.

You have the option of signing up for optional text or email alerts³ when money is added or your card balance gets low at usbankreliacard.com. You can also use our two-way text alert feature by texting a short code to receive the following updates:

Limits

Can I make a purchase for more than the amount on my card?

If you need to make a purchase for more than the amount you have on your card, you will need to use two forms of payment. Tell the cashier how much you want taken from the balance on your card — the cashier cannot determine your available balance. Then, pay the remaining balance with cash, check, credit card or check card.

Can the ReliaCard be overdrawn?

Usually a purchase that exceeds the available balance will not be approved. In very limited circumstances, if you do not have sufficient funds when the final amount clears, it may result in a negative balance; however you will not be charged an overdraft fee. You can check your balance online, using the ReliaCard Mobile App or by logging into your account at usbankreliacard.com.

How do I obtain information about fees for my ReliaCard?

Fees are located on the Fee Schedule sent to you with your card. You may view your Fee Schedule online by logging into your account at usbankreliacard.com.

Please consult the table on the next page for information on how to avoid fees on certain transactions.

Can anyone else view or track my transactions?

No. For privacy reasons, U.S. Bank does not share card account numbers or transaction details. However, for reconciliation purposes, your government agency does have access to the amount and date of each deposit.
