DELAWARE HEALTHY CHILDREN PROGRAM

(CHIP)

Affordable Health Care

**Give Your Kids Something
They Really Can't Live Without!**

The Delaware Healthy Children Program is a low cost health insurance program for Delaware's uninsured children.

Who qualifies?

Your children may qualify if they:

- Do not have health insurance that covers doctor visits, hospital stays, lab work and x-rays.
- Are under the age of 19 and reside in the State of Delaware.
- Are U.S. citizens or qualified non-citizens.
- Are not dependents of a State of Delaware employee.
- Meet income eligibility. For example, children in a family of 4 with annual income under \$40,000 can qualify.

Family Size	Monthly Income	Annual Income
2*	2,334	28,008
3	2,934	35,208
4	3,534	42,408
5	4,134	49,608
6	4,734	56,808
7	5,334	64,008
8	5,934	71,208

*A 2 person family suggests 1 adult and 1 child

What does it cost?

Depending on your income, you pay \$10, \$15 or \$25 per month per family. The single monthly premium covers all the children in your family. There is an added bonus – for every three months you pay in advance, you will get the fourth month free. There are no co-payments except if you visit a hospital emergency room for a non-emergency.
