October 6, 2016

# HCC SIM Grant Management Update

- Currently in Year 2 of CMMI State Innovation Model Cooperative Agreement
- Must submit an **Operational Plan for Year 3** in order to be approved for continued funding
  - Operational Plan **due December 1**
  - Will include operational work plans, driver diagram, monitoring and evaluation plans, sustainability plans, budget, milestones and metrics
  - HCC is **working closely with DCHI** to develop plans for Year 3
- Full budget update will be provided in November, as Grant Q3 ends Oct. 31

# A variety of resources are available to support practices as they consider transformation

## Description

### Practice Transformation

- Clinical and operational change program designed to help practices care for all patients effectively/ prepare for value-based-payment models

### Common Scorecard

- Single, integrated scorecard across all payers that measures performance on quality, utilization, and cost across a practice's individual patients

### EMR incentive

- Funding for behavioral health providers seeking to adopt or upgrade EMRs

### Behavioral Health Integration Testing Program

- Program to provide practices with the support, resources, and expertise necessary to integrate behavioral health services into primary care
