3225.5.12 S/S - E	<p>An assisted living facility that provides direct healthcare services to persons diagnosed as having Alzheimer's disease or other forms of dementia shall provide dementia training each year to those healthcare providers who must participate in continuing education programs. The mandatory training must include communicating with persons diagnosed as having Alzheimer's disease or other forms of dementia; the psychological, social, and physical needs of those persons; and safety measures which need to be taken with those persons. This paragraph shall not apply to persons certified to practice medicine under the Medical Practice Act, Chapter 17 of Title 24 of the Delaware Code.</p> <p>This requirement was not met as evidenced by:</p> <p>Based on review of facility records, it was determined that the facility failed to provide dementia specific training annually to E16 (AA). In addition, E12 (RCA), E14 (RCA) and E15 (RCA) had not been provided dementia specific training during their new hire orientation. Findings include:</p> <p>4/7/04 – E16 was hired; facility records lacked evidence of annual dementia training.</p> <p>11/28/23 – E15 was hired; facility records lacked evidence of dementia training.</p> <p>2/19/24 – E14 was hired; facility records lacked evidence of dementia training.</p> <p>5/30/24 - E12 was hired; facility records lacked evidence of dementia training.</p> <p>10/7/24 9:54 AM – E4 (CO) confirmed, E12, E14, E15, and E16 did not have dementia training.
