* Residential Habilitation hourly rates are multiplied by a client's ICAP hours to create a per diem payment for each client. The 1/1/15 rates represent a 5.09% increase.

** Day Habilitation and Prevocational service hourly rates are multiplied by a client's ICAP hours to create a per diem payment for each client. These services are paid in 15 minute increments for individuals who split their day between two services. Hourly amounts are only shown for ease of display. The 1/1/15 rate for Day Service Non-Facility represents a .96% increase.

*** These services are paid in 15 minute increments. Hourly amounts are only shown for ease of display.

\$11.22 is the Direct Care Staff Hourly Wage Used in the computation of the Day Habilitation Facility and Prevocational Service rates.

\$12.75 is the Direct Care Staff Hourly Wage Used in the computation of the Residential Habilitation and Day Service Non-Facility rates at 73.8% of the benchmark rate per available funding.
