Averaging over 90% of graduates remain in Sussex County to serve healthcare needs of community

R. RANDALL ROLLINS CENTER FOR MEDICAL EDUCATION

Offering programming covering the full trajectory of medical education to promote lifelong learning for Beebe's robust and growing medical staff.

RESIDENCY PROGRAM FAMILY MEDICINE RESIDENCY

Beebe Healthcare's Family Medicine Residency will support the mission of Beebe Healthcare by cultivating competent, culturally diverse and compassionate primary care providers.

First Class Joins Beebe Summer 2023

How do we meet the growing healthcare needs of a growing Sussex County?

- Increase residency education opportunities
- Grow nursing programs
- Develop a Delaware Medical School in Sussex County
- Increase Interdisciplinary Education Campus for other Allied Health Professionals and technologists
- Collaborative relationships with Healthcare Systems, Academic Institutions, and High School programs
- Partner with Delaware Business Community for strategic workforce development

“By failing to prepare, you are preparing to fail.”

Benjamin Franklin
