

State Loan Repayment Program Update

April 6, 2017

State Loan Repayment Program Grant Funds

- Sept. 1, 2015 Health Resources and Services Administration (HRSA) awarded \$420,000 to Delaware Health Care Commission (HCC) for the State Loan Repayment Program (SLRP) and approved \$453,572 in carryover funds; bringing the total awarded amount for 2016 to \$873,572.
- HCC submitted a request for \$710,372 in carryover funds and expects to receive a response from HRSA in April.
- Sept 1, 2016 HRSA awarded an additional \$420,000 to HCC for SLRP. These funds are scheduled to expire in August. HCC is prepared to submit a carryover request for the remaining balance.

Funding for New Awards

- SLRP will reopen later this month with the ability for HCC to receive employer or private match funds. Revised literature will be published online: <http://dhss.delaware.gov/dhcc/slrp.html>.
- \$685,172 in Federal funds is currently available for new awards that will require a 1:1 match.
