DELAWARE

APRIL 2023 PCRC MEETING- UPDATE

- The Office of Value-Based Health Care Delivery (OVBHCD) provided an update on commercial affordability standards, including an update on the Primary Care Investment projections for 2023. Projections include:
 - 7% Primary Care Investment of Total Medical Spend (\$40 million), total population
 - Non-FFS primary care spend is projected at \$11 million, an \$8 million increase from 2022
 - Non-FFS PMPM increased from \$3 to \$11 (2022 and 2023 respectively); for members attributed to care transformation, up to \$29 PMPM

APRIL 2023 PCRC MEETING- UPDATE

- PCRC Vendor, Health Management Associates, provided an update on the methodology and recommended payment amounts for the Delaware Primary Care Payment Model.
 - Feedback included utilizing more data from Delaware's top commercial payers, such as Highmark, as well as State Employee Benefits to calculate prospective payment amounts that are more reflective of the population.
- PCRC Chair, Dr. Nancy Fan, presented a PCRC survey that was circulated regarding recent primary care scorecard recommendations from NASEM.
- Next PCRC meeting is scheduled for June 5th, more information is forthcoming.
