PRIMARY CARE REFORM COLLABORATIVE (PCRC) – MARCH 18TH MEETING

- **Discussed final recommendations for PCRC Strategic Priorities**

- 1) The PCRC should focus on increasing multi-payer participation and buy in for primary care spending
- 2) The PCRC should inform policies that will work on primary care investments, without increasing overall healthcare costs
- 3) The PCRC should promote and advocate for quality measures aligned across payers based on the highest cost of care drivers.
- 4) The PCRC will develop a more comprehensive communications strategy, such as an annual report, to increase transparency around the vision, goals, and progress of the PCRC.
- 5) The PCRC should explore a more inclusive strategy across the spectrum (i.e., employed practices, ACOs, etc.) to reflect the needs of all practices within primary care specialties.

PRIMARY CARE REFORM COLLABORATIVE (PCRC) – MARCH 18TH MEETING

- **Reviewed Health Management Associates (HMA) draft Executive Summary from the PCRC Final Report.**
 - Environmental scan identified up-to-date research for primary care spending methodologies and payment models in other states
 - Recommendations on the SQI (a bundled payment for a defined set of services based on a known set of procedure codes) and CQI (payments are more generally defined as being used for advancing practices' value-based care).
