3201 3201.1.0 3201.1.2	The State Report incorporates by reference and also cites the findings specified in the Federal Report. An unannounced follow-up COVID-19 Focused Infection Control Survey was conducted by the State of Delaware Division of Health Care Quality, Office of Long Term Care Residents Protection on June 1, 2020. Based on the review of the Plan of Correction with the corresponding education and audit records, clinical records, observations, interview and review of other facility documents, it was determined that the facility had regained substantial compliance with 42 CFR §483.80 infection control regulations and had implemented the CMS and Centers for Disease Control and Prevention (CDC) recommended practices for COVID-19. The facility census on the day of survey was sixty-eight (68) residents (41 residents with COVID-19 on two nursing units, 2 dialysis residents on quarantine, 2 residents with symptoms suspected for COVID-19 and 23 asymptomatic residents on two nursing units). Regulations for Skilled and Intermediate Care Facilities Scope Nursing facilities shall be subject to all applicable local, state and federal code requirements. The provisions of 42 CFR Ch. IV Part 483, Subpart B, requirements for Long Term Care Facilities, and any amendments or modifications thereto, are hereby adopted as the regulatory requirements for skilled and intermediate care nursing facilities in Delaware. Subpart B of Part 483 is hereby referred to, and made part of this Regulation, as if fully set out herein. All applicable code requirements of
