TO: DMMA Staff  
DATE: November 27, 2024  
PROGRAM(S): Non-MAGI and Long-Term Care Medicaid  
SUBJECT: 2025 SSI Related Income Standards and Medicare Programs

---

**BACKGROUND**

The Social Security Administration will implement an annual cost-of-living adjustment (COLA) effective January 1, 2025. The amount of the COLA is based on data from the Bureau of Labor Statistics and is derived from changes in the Consumer Price Index. The COLA for 2025 is 2.5 percent.

**DISCUSSION**

The new Supplemental Security Income (SSI) standard effective January 1, 2025 will be \$967.00 for an individual and \$1450.00 for a couple. The SSI standard is used in setting income standards for Medicaid programs.

The income standard for the 30-day acute care hospital program is equal to the SSI standard.

\$967.00 for an individual                      \$1450.00 for a couple

The income standard for Long Term Care Programs and the Children's Community Alternative Disability program is equal to 250% of the SSI standard. The income standard for these programs for 2025 is as follows:

\$2417.50 for an individual                      \$3625.00.00 for a couple

Each individual will have \$20.00 of their available income disregarded in order to determine eligibility. There is no \$ 20.00 disregard for "needs" based income such as Veterans Affairs (VA) pensions. There is only one \$20.00 disregard from the total

combined income for a couple. For 2025, the income standards with the \$20.00 disregard are as follows:

\$2437.50 for an individual                      \$3645.00 for a couple

There is no change in the resource limit:

\$2,000.00 for an individual                      \$3,000.00 for a couple

The 2025 Medicare premiums are as follows:

Part A \$ 518.00    Part B \$185.00

Part B Immunosuppressive Drug \$110.40

(For members filing an individual tax return and earning less than \$106,000 annually, or for members filing joint tax returns and earning less than \$212,000)

**ACTION REQUIRED**

The eligibility system will be updated with the new income standards.
