

Quarter 4 Activities

- Finalized FAQ document for families related to DME/supplies.
- Finalized FAQ for families related to pharmaceutical issues for children with medical complexity.

Key Issues to Note

- As the Workgroup developed the FAQ documents related to DME/supplies and pharmaceutical issues, several issues were explored and addressed within the documents.
- There was strong collaboration among parent advocates, MCOs, providers, and DMMA in the development of the FAQ documents.

Upcoming Activities
