

DEVELOPMENTAL SCREENINGS

WHAT ARE DEVELOPMENTAL SCREENINGS?

A developmental screening provides a quick check of your child's development using a series of questions.

Call 2-1-1 for more information

You can also screen your child by calling 2-1-1, and speaking with Help Me Grow staff, Monday through Friday, 8:00 a.m. to 5:00 p.m. or sending a text message to 302-231-1464.

For more information on developmental screenings and where your child can receive a screening, visit the web links below.

Why should your child be screened?

The information you supply will help reveal your child's strengths, and determine if your child is progressing as expected.

It can also help determine if there are community resources or services that may be useful for your child and family.

Who can perform developmental screenings?

Developmental screenings are done throughout your community by health care professionals, child care providers, and in school settings.
