WHAT IS WIC?

WIC is a federally funded program that is administered at the federal level by the Food and Nutrition Service (FNS), United States Department of Agriculture. The State of Delaware, Division of Public Health, is responsible for the administration of the Delaware WIC Program. The WIC Administration office is responsible for all the operations of the program in accordance with federal and state rules, regulations and guidelines.

The primary purpose of the WIC Program is to make health and nutrition services available to eligible individuals.

Under the WIC Program, authorized health professionals prescribe nutritious supplemental foods and teach nutrition education to pregnant, postpartum, and breastfeeding women, infants, and children to their fifth birthday.

WIC participants receive eWIC benefits (eWIC card) to enable them to purchase WIC approved foods at local retail grocery stores. The eWIC card has a prescription for specific foods selected for the nutritional need of the individual with amounts loaded to the eWIC card.

WIC participants will receive an eWIC card that includes:
- A list of specific foods that may be purchased.
- A Cash Value Benefit (CVB) that has a fixed-dollar amount for the purchase of fresh fruits and vegetables.

Participants can use their benefits at any Delaware WIC authorized retailer.

For more information about the Delaware WIC Program go to: de.gov/wic

WHAT ROLE DOES A WIC VENDOR PLAY?

WIC vendors play an important role in the health of WIC participants. eWIC cards contain a food prescription designed to supplement the WIC participant’s nutritional needs. The vendor fills the prescription, ensuring that the participant receives what is prescribed. Vendors act as the final step in the WIC process. The vendor’s role is vital to the success of the WIC program because the nutritious WIC foods are designed to promote the healthiest possible birth outcomes, as well as the growth and development of children. WIC appreciates you being a partner with us in providing nutritious foods to Delaware families!

Scan all food.

If the customer identifies themselves as a WIC participant, make sure they use their eWIC card first before any other form of payment.

Give the cash register receipt to the WIC participant. The remaining benefit balance and date benefits expire will appear on the receipt.

If there are problems with an eWIC transaction, contact your store manager for help.
**FREQUENTLY ASKED QUESTIONS**

**Q:** Can I substitute another brand if our store is out of the brand on the WIC Program Booklet?

**A:** No. Substitutions are never allowed. If your store is out of the specific brand the participant wants, the participant can go to a different WIC authorized vendor.

**Q:** Does the WIC Participant have to show ID/WIC folder for an eWIC transaction?

**A:** No. The eWIC card is the only item required for a successful eWIC transaction.

**Q:** What if my store is out of a WIC food item?

**A:** If your store is out of an authorized WIC food item, you must tell the WIC customer to come back later or go to another store. You may not issue rain checks or IOUs for out-of-stock items.

**Q:** What should a cashier do if a situation arises at checkout?

**A:** Contact your store manager or customer service manager, according to your store policy.

---

**LET THE WIC SYSTEM DECIDE**

The Point-of-Sale (POS) device will determine if the item is allowed. If it is an allowed item, and the customer has enough in their balance to receive the item, the POS will allow the transaction.
VENDOR RESPONSIBILITIES

It is the responsibility of the WIC vendor to follow the policies and procedures of WIC. These responsibilities include, but are not limited to, the following:

1. Comply with requirements specified in the Vendor Agreement and the Delaware WIC Vendor Handbook.

2. Purchase infant formula from the Approved List of Infant Formula Wholesalers/Retailers/Manufacturers only.

3. Accept and process eWIC benefits only within the confines of the store.

4. Ensure that a minimum stock of WIC foods with future expiration dates is on the shelves at all times.

5. Post the “We Accept eWIC” door decal in a highly visible location on or near entrances to the store.

6. Vendors may not override any transaction.

7. Give all WIC participants the same service and the same courtesies as non-WIC customers.

8. To make changes to the Approved Product List, the vendor must complete the UPC Application Form available at de.gov/wic.

9. At least one employee is to attend and complete all required training per store. Those employees are then responsible to train all store employees on WIC procedures and distribute WIC materials.

10. Keep the current eWIC Program Booklet and authorized food list at each cash register.

11. Submit timely, accurate Monthly Self Monitoring checklist of minimum stock food items as required by the State Agency.

12. Cooperate with WIC officials when the store is being evaluated or monitored.

13. Do not use any incentives, “give aways”, specials, or the like, for the purpose of encouraging or otherwise enticing WIC participants to redeem their eWIC benefits at the store.

14. Notify the WIC State Agency in writing at least fifteen (15) days in advance of when the store ceases operation, changes ownership, name, or location.

15. Compliance with the vendor selection criteria must be maintained throughout the agreement period, including any changes to the criteria.
