VFC Influenza Vaccine Supply Update

VFC Influenza vaccine continues to be available. Please place orders for vaccine if needed.

VFC providers cannot use VFC doses to vaccinate Non-VFC patients.

Influenza Vaccine for Non-VFC

Doses for Non-VFC patients are available. If you need additional doses there are resources to assist providers with locating doses to fill their need. The National Adult and Influenza Immunization Summit webpage provides access to the Influenza Vaccine Availability Tracking System- IVATS. Please check this resource for availability
