

## DELAWARE MEDICAL RESERVE CORPS (DMRC)

### What is DMRC:

The Delaware Medical Reserve Corps (DMRC) is a volunteer corps of medical and healthcare professionals and other community members who give their time and expertise to prepare for and respond to public health emergencies. DMRC is a sister organization of the national Office of the Civilian Volunteer Medical Reserve Corps (OCVMRC) which was founded in 2002.

### Purpose:

The DMRC supplements existing medical and public health staff for prevention of and response to a public health emergency or disaster event. Roles performed by DMRC members may include mass vaccination, dispensing medications, triaging evacuees, client transport, performing administrative duties, or many other needed tasks.

### A Volunteer can be:

Some of our current DMRC members are:

- Administrative Staff
- Patient Drivers
- Nurses
- Pharmacists
- Physicians
- Social Workers
- Chaplains/Clergy
- Interpreters
- Retired Professionals
- Mental and Behavioral Health Professionals

### Becoming a Volunteer:

Access the internet website [www.servde.org](http://www.servde.org) to apply for DMRC volunteer membership while registering in the State Registry of Volunteers and Healthcare Personnel for Delaware (SERVDE). (See *SERVDE fact sheet for more information.*)
