

# Delaware Lead Poisoning Prevention Conference

Celebrate National Lead Poisoning Prevention Week

**VIRTUAL  
CONFERENCE**

**Wednesday, October 25, 2023**

**9:30 a.m. to 1:30 p.m.**

**[Register Today](#)**

## Course Overview

During this 4-hour virtual conference, we will explore the impact of pediatric lead exposure in Delaware and the role that health care professionals play in prevention, detection, treatment, and mitigation.

After this session, health care professionals will be familiar with updated legislation, resources available from the state, and the use of point-of-care machines for efficient lead testing.

## Panel Speakers

**Dr. Jessica Rohde, MD** – Pediatrician, Childhood Lead Poisoning Prevention Advisory Committee Member

**Kurt Olinger, Administrator** - DHSS Office of Healthy Environments

**Adam Binder,** Representative for Meridian BioScience- LeadCare Point-of-Care Analyzer

**...and more!**

## Conference Objectives

- Define the health care provider's role in the prevention, detection, treatment, and mitigation of pediatric lead exposure.
- Describe the services offered by the DE Division of Public Health Lead Prevention Program for patient and provider support surrounding elevated blood lead levels.
- Demonstrate lead testing and reporting at appropriate intervals based on updated DE legislation.
- Develop a workflow to implement point-of-care lead testing within the pediatric primary care setting.

**NO-COST CME:** The CAMC Health Education and Research Institute designates this Internet enduring material activity for a maximum of 3.5 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. In support of patient care, this activity has been planned and implemented by the CAMC Health Education and Research Institute and the Quality Insights. CAMC Health Education and Research Institute is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the health care team.

The planners and the faculty for this activity or enduring material have no relevant financial relationships with ineligible companies to disclose. Quality Insights has no disclosures.
