

Delaware Lead Certified Firms Updated: January 2, 2025

Delaware Lead Certified Firms can be located using this searchable pdf. The list will be updated quarterly.
To use this form:
1. Enter how you want to search for a certified firm in the "Find" box in your pdf reader by pressing the CONTROL key and the letter "F" at the same time (Ctrl + F).
2. Type in what you are searching for (see options below) and press ENTER and click on NEXT. The computer will search through the pdf.
Type in the following search options:
- Delaware Certified Renovation, Repair and Painting Firms by Alphabetical Order
- Delaware Certified Renovation, Repair and Painting Firms by County
- Delaware Certified Lead-Based Paint Firms by Alphabetical Order
- Delaware Certified Lead-Based Paint Firms by County
3. To perform a new search, delete the entered name you typed and start as described in the first step.

RRP - Renovation, Repair, and Painting
LBP - Lead-Based Paint (aka Abatement)
Abatement is a specialized activity designed to address lead in the home. RRP activities (including most home contracting work) disturb paint as a consequence of the activity, but they are often undertaken for reasons unrelated to lead issues.
