

# Delaware Medical Marijuana Online Application Information

In order for you to apply online for a Medical Marijuana Id card your physician **MUST** be registered in the system to accept online applications. Please contact your physician and ask if they have registered in the online application program.

\*\*\*\*\*If your physician is not registered in the system, they can complete and sign your paper application\*\*\*\*\*

- Is your Physician registered to accept online applications? Have you seen your Physician within the past 90 days? [If yes, click here to complete your online application.](#)
- If your Physician **IS NOT** registered to accept online applications please print the paper version of the application and take it to your Physician. [Click here for paper version of application.](#)

Please contact the Medical Marijuana Program if you have any questions about the application process at 302-744-4749.
