

Radiation Technologist/Technician Certification Status

Updated January 30, 2025

Since May 26, 2010, Radiation Technologist/Technician Certification status for individuals holding a Delaware certificate can be verified using this searchable pdf. The list will be updated monthly.

To use this form:

- Enter the name or certificate number in the "Find" box in your pdf reader.
- Hit enter after putting in the name or certificate number and the computer will search through the pdf.
- Use the forward or backward arrow button near the "find" field to move between multiple matching records (i.e. different people with the same name).
- To perform a new search, delete the entered name or certificate number and start as described in the first step.

Status Categories:

- **Active** - certificate is current
- **Expired** - certificate has exceeded expiration date
- **Terminated** - certificate automatically lapsed 180 days after expiration date, per regulations.
