SUBJECT:

Delaware Health Fund Advisory Committee

Fiscal Year 2016 Recommendations

On behalf of the Delaware Health Fund Advisory Committee (HFAC), I present you with our Fiscal Year 2016 Health Fund recommendations. The Committee's final decisions reflect several hours of discussion.

The State anticipates receiving \$25.7 million (principal payment and interest) in Tobacco Settlement Funds for FY16. The available Reserve balance is \$1,767.7 million.

The FY 16 recommendation of the HFAC is to fund Medicaid and Medical Assistance mandates and the Department of Justice at the requested levels; to fund Health Fund programs with budgets over \$100,000.00 at a 12% reduction of the programs' FY15 funding; to fund Health Fund programs with budgets at or below \$100,000.00 at a 6% reduction of the programs' FY15 funding; and not to use Health Fund revenue to fund the Delaware Healthy Children's Program.

The details of this recommendation are set forth more fully in the attached spreadsheet. This recommendation expends \$27.5 million, which requires utilizing \$1,767.7 million from the endowment.

In addition, the HFAC recommends using any surplus Health Fund money to establish a Health Fund at the Delaware Community Foundation for the purpose of funding health-related programs in concert with the intent of the tobacco master settlement. Health Fund revenue has been decreasing, due to the decline in cigarette sales, a main goal of the tobacco lawsuit and Master Settlement Agreement. The HFAC is extremely concerned about the sustainability of funding for the important work currently funded by the Health Fund in light of the decreasing revenue and thus seeks to explore leveraging private resources to support this important work.

HFAC Recommendations December 1, 2014 Page Two

As Chair of the HFAC, I would like to commend the members for their dedication and contribution to the Health Fund process:
