<p>3225.0</p> <p>3225.1.0</p>	<p>An unannounced Follow Up and Complaint Survey was conducted at this facility from February 16, 2026, through February 17, 2026. The survey process included observations, interview, review of resident clinical records and other documentation. The facility census on the first day of the survey was thirty-one (31). The sample size survey totaled three residents.</p> <p>Assisted Living Facilities</p> <p>Purpose</p> <p>The Department of Health and Social Services is issuing these regulations to promote and ensure the health, safety, and well-being of all residents of assisted living facilities. These regulations are also meant to ensure that service providers will be accountable to their residents and the Department, and to differentiate assisted living care from skilled nursing care. The essential nature of assisted living is to offer living arrangements to medically stable persons who do not require skilled nursing services and supervision. The regulations establish the minimal acceptable level of services for residents of assisted living facilities.</p> <p>No deficiencies were identified at the time of the survey.</p>
