

COMMISSION STRATEGY SESSION

- What can the Commission do to collectively move the needle?
- What can the Commission do to make health care in Delaware better?
- Quadruple Aim: cost, access, quality and provider or caregiver well-being, in relation to short, intermediate, and long-term solutions.

COMMISSION STRATEGY SESSION

Commissioners' Feedback from the April DHCC Meeting:

- Employer directed/Carve-out health care
- Address the cost of administrative burden
- DHCC
