| Purpose | | |
| The Department of Health and Social Services is issuing these regulations to promote and ensure the health, safety, and well-being of all residents of assisted living facilities. These regulations are also meant to ensure that service providers will be accountable to their residents and the Department, and to differentiate assisted living care from skilled nursing care. The essential nature of assisted living is to offer living arrangements to medically stable persons who do not require skilled nursing services and supervision. The regulations establish the minimal acceptable level of services for residents of assisted living facilities. | | |
| Arden Courts is in substantial compliance with the 3225.0 Assisted Living Facilities regulations as of July 11, 2025. No deficiencies were identified at the time of the survey. | | |
